GOTHENBURG

Join Azorcan Sport, School and Sightseeing Tours this October in Europe for an Edmonton Hockey Fan Tour of a lifetime.

See Edmonton play their season opener in Gothenburg, Sweden against New Jersey. We have tickets available but you are welcome to join us if you have your tickets already.

In addition to the game in Gothenburg, the group will fly into the Danish capital city of Copenhagen. We will enjoy a city tour, including the Rosenborg Castle, then have free time to explore the city. On our way to Gothenburg we will stop in Helsingborg, Sweden for an included lunch and an opportunity to see this seaside city.

After a guided tour in Gothenburg we can stroll through the city centre, mix with locals and get ready for the big game.

On Sunday we fly to Stockholm and experience a guided tour of one of the most beautiful cities in the world, and visit the amazing Vasa ship museum. In the evening, we will experience the Ice Bar.

The next day is free in the Swedish capital before boarding our overnight cruise to Helsinki. Enjoy the extensive buffet dinner, duty free shopping and live entertainment. Buffet breakfast is included.

In Helsinki we meet our guide on arrival to see the highlights of the Finnish capital. After a lunch break we take a short ferry ride to Suomenlinna Island Fortress. A farewell dinner ends our great tour.
