

## **2016 WORLD JUNIORS TOUR TESTIMONIALS**

Here are some of the many positive comments that we received from our fellow Canadian hockey fans that joined the Azorcan 2016 World Juniors Tour to Helsinki, Finland.

***I took my daughter on the World Juniors tour to Helsinki and it was amazing! The tour was so well put together, with absolutely everything taken care of. There were even little surprises along the way. The tours of Tallin ( and their beautiful Christmas market), Turku and Suomenlinna (to name a few) were so well organized and interesting. You received a guided tour and then had time to explore on your own. The buses were great (and always on time), the hockey seats were fantastic and all of the people on the tour with us were so friendly and fun. Paul went out of his way to make sure that everything was taken care and that everyone had what they needed. We are definitely considering the 2020 World Junior tour, and if you are looking for a tour company to take care of your group, definitely give Paul at Azorcan a call!***

***We had so much fun in Finland!! The WJ2016 was great, the fans out of this world, and the day tours of Finland and Stockholm, Sweden hit the top spots that I had researched. The day trip by ferry to Tallinn was our favourite outing - such a quaint little spot complete with the gorgeous Christmas market. Paul organizes the tour so that there is lots of time to do your own sightseeing and the group tours allow everyone to go at their own pace. The hotel location was exceptional (again) and the group dinners always have great food. We have toured with Paul at Azorcan for two World Juniors, and we wouldn't miss WJ 2020 for the world!***

***Wayne and I just want to let you know how much we enjoyed our trip with you/Azorcan. We cannot believe how well organized it was, considering the numbers, games, events, tours, etc. you had to contend with. As mentioned, we could not have been more pleased/satisfied if we hand picked our seats for EVERY game and appreciated all the add-ons so much. It was so much fun interacting with the others on the tour and getting to know some of them. We are so pumped about going to Prague and have passed your name on to a few people who might also be interested, however I don't imagine you have much trouble filling your tours. You did such a great job and we can't wait to travel with you again. THANKS so much again for our wonderful experience and we are counting the sleeps to 2020!***

***Our trip to the 2016 World Juniors in Finland with Azorcan was fantastic. Paul did a great job with all the travel details. The accommodations were great and the included breakfast choices were amazing. Buses ran on time to all the games and the seats were outstanding. The side tours were interesting leaving just enough time to explore on one's own. All in all a great experience with friendly people. We are seriously considering Prague in 2020.***

***Just a quick note expressing our sincere thanks, for all you did, to make our Helsinki trip a lifetime experience. It exceeded our expectations. We thoroughly enjoyed the excursions, the hockey, the people and the total organization you presented. Couldn't ask for anything more. We are already looking ahead to Czech in 2020.***

***We have safely arrived home in Halifax and back to our regular routines. I wanted to send this note to thank you sincerely for the wonderful time we had in Helsinki and Stockholm. I thought the trip was very professionally managed and the days without hockey such as Estonia were excellent adventures!!***

***You have a wonderful approach with people and take the time to chat with all your guests. I wish you continued success...***

***Take Care,***
