

STOCKHOLM HOTEL – CLARION HOTEL SIGN

Azorcan is please to announce that our hotel in Stockholm will be the Clarion Hotel Sign. We have used the hotel many times for hockey, ringette and sightseeing tours. We also used the hotel for the 2016 #WorldJuniors post tournament option after taking the overnight ferry from Helsinki.

The Clarion Hotel Sign offers bright hotel rooms and modern conference spaces with exceptional Scandinavian design. Enjoy a delicious meal at Kitchen & Table Normalm. The buffet breakfast has a good selection of items to suit any diet and is a great way to start our day in Stockholm.

The Clarion Hotel Sign is located in central Stockholm, and only a couple of blocks away from the Drottninggatan pedestrian street with shopping, theatres, restaurants, clubs and bars. A 15 to 20 minute walk from the hotel on the Drottninggatan leads you right to the Swedish Parliament, the Royal Palace and the Gamla Stan (oldtown).

Clarion Sign guests can admire wonderful Scandinavian design, art and architecture all over the hotel. Designed by architect Gert Wingårdh, the hotel features a lot of granite and glass to reflect the bustling city life and a green park outside. Inside the spectacular facade, you'll find materials such as clear, white, smoke and amber-coloured glass, wood, leather, stone and glazed ceramics. Imagine this in combination with plants and innovative lighting, and you'll get a sense of what awaits you here at the hotel.

The elevators have different musical themes and each floor of the hotel has a different theme based on a Nordic country.

The Clarion Hotel Sign is a cash-free hotel, which ensures added security for our guests and visitors.

As our hotel guest you get a discounted entrance to Selma City Spa. The spa is located on the 8th floor, from where you can enjoy fantastic views of Kungsholmen. Have a drink on the terrace, take a dip in our heated outdoor pool, book a wonderful spa treatment or just sit back and spend some time relaxing in the lounge area. Hotel guests have priority access and reduced entry rates.

Our gym, located on the 2nd floor, features TechnoGym equipment that is ideal for intense and varied workouts. The gym is open 24 hours a day, 7 days a week.

The hotel is also located near to the metro, bus stops and the Stockholm Central Station, which is serviced by the Arlanda Express that goes to the Arlanda Airport.
