## Looking Ahead To The Next 4 World Juniors

Hello World Juniors past tour friends and all of our priority list members,

It is getting close to a year from when we had our WJ2020 kick off party in Edmonton. We are going to post a daily instagram photo looking back at our tour. We haven't used instagram very much but I think this will be fun. Thanks to Marty Forbes for the suggestion. Our account is [azorcanglobal](https://www.instagram.com/azorcanglobal) if you want to follow.

### New Azorcan Website

We have finally been able to finalize and go live with our new [Azorcan webpage](http://Azorcan webpage). I hope you enjoy the webpage and the new pages on the World Juniors in Russia and Sweden. We will be adding more information as we get closer to the events but it should give you an idea of what we are planning. The new azorcan website also has our [Facebook](#), [Instagram](#), [YouTube](#) and [Twitter](#) links at the top of the page. I hope you enjoy the new website.

### New Podcast - Future World Juniors

We had a new podcast released last week. If you haven't heard it yet, Bryn Griffiths and Paul Almeida discuss how the schedule has been shuffled for the next four events due to covid. We talk about what it will be like in Edmonton this year and how we hope it will be next year in Edmonton/Red Deer.

More importantly we talk about what we have planned for Russia 2023 and for Sweden 2024. Get all the podcasts [here](#). I hope you enjoy it.

Stay tuned we have some great podcast news coming soon.
